

# **"The Epicurean Glance" - An Article By George Kaplanis which needs translation**

**Post by "Elli" of November 18, 2018 at 1:37 PM**

Hello to all the epicurean friends,

Thanks to a friend of my son that knows very good greek-english, this article by George Kaplanis, it will be ready to post it for next week. Another article by Dimitris Altas entitled : "The Epicurean Impact on Enlightenment", it will be ready too for this week. The other that follows in the list it will be the article by George Kaplanis entitled : "The Migration issue from the perspective of Epicurean philosophy". If there is another article that kept to your attention and you would like to be translated, please inform me. As well as if you have an article by your own, and you would like to be translated from english into greek, please inform too.

Thanks.
