

Episode Ninety-Seven - The Virtues as Instrumental For Pleasure: Temperance and Courage

Post by "Cassius" of November 26, 2021 at 12:26 AM

Editing is coming along on this one and it should be up by midday Friday, followed shortly by Joshua's full recording of the Torquatus text from On Ends. I think I will first post that to my account at Archive.org so it has a separate home that is easy to find, with a separate discussion thread here, rather than simply include it as a regular podcast episode.
