

# Happy Twentieth of November, 2018!

**Post by “Martin” of November 20, 2018 at 8:15 PM**

As mentioned in an earlier related discussion on FB, I do not expect infinity and eternity of the universe to be the truth or to have any relevant meaning. Regarding the items under 5, I still need to make up my mind on some subtle differences I have with some of them and and verbalize those. Everything else is fine with me for now.
