

Diogenes Laertius on Epicurean Ethics

Post by “Don” of December 1, 2021 at 3:39 PM

Here was my take on that section:

[Epicurean Sage](#)

My goal in this translation of Diogenes Laertius's Lives of Eminent Philosophers, Book X.117-121, was to be as literal as possible to preserve the flavor of...

sites.google.com

I need to refine a couple points in there, but I stand by my efforts.
