Welcome [Scott](#)

I like Epinoob* 😊 You've coined a good one there!

You'll find a number of us came to Epicurus's Garden through a similar path as yours via Buddhism and the Stoics. I look forward to your taking part in the discussions!

Check out the podcast to "eavesdrop" on some lively, thought-provoking conversations.

*I couldn't resist coming back in here and giving Epinoob an ancient Greek twist:

Singular Επινουβος (Epinoubos), plural Επινουβοι (Epinouboi). 😊

The closest real ancient Greek word is ἐπινοιά "power of thought, imagination, inventiveness"

That's fun!
