

Episode Ninety-Nine - The Epicurean View of Justice (Part Two)

Post by “Don” of December 11, 2021 at 12:05 PM

Is the prolepsis (notion, anticipation, preconception, etc) of justice simply the concept that one neither harms nor inflicts harm? That that is where the definition of what is starts?

[Henry George Liddell, Robert Scott, A Greek-English Lexicon, δίκαιος](#)
