

Episode Ninety-Nine - The Epicurean View of Justice (Part Two)

Post by “Don” of December 11, 2021 at 3:05 PM

We crossposted, [Cassius](#) . I do think you're on the right track on the pre-rational, sensory, pre-conceptual nature of the prolepseis. Not sure how I square that with divinity and justice being our two examples, but I agree that's the track to follow.
