

Welcome Pacatus!

Post by "Cassius" of December 17, 2021 at 3:36 PM

Welcome!

[Quote from Pacatus](#)

I have Cassius Amicus Elemental Epicureanism, which I am just beginning to delve into.

You will find that the material on this forum is much more up-to-date than that old work of mine, so I hope you will look around here and engage in the discussion -- I think you will find that much more productive!
