

Starting A Collection to Remaining Fragments from "On Nature"

Post by "Don" of December 23, 2021 at 10:16 AM

[Online Resources on Herculaneum Papyri | The Herculaneum Society](#)

I realize these last few posts are not translations, but some at least have notations to which Herculaneum Papyri have fragments of On Nature in them. Then one could use those Papyri numbers to search for translations elsewhere. Those links also give a graphic image of how fragmentary some of these are!
