

Episode One Hundred One - Corollaries to the Doctrines - Part One

Post by “Kalosyni” of December 23, 2021 at 5:12 PM

I just listened to this podcast. Some thoughts...

If you feel pain in your body from an illness...and not knowing what it is, because it is undiagnosed...and in addition if you fear death greatly, then the mental fear will make the pain much worse.

When you feel sexual pleasure in your body, but if you feel ashamed about it, the pleasure will be muted if you fear that God will punish you for it.
