

# Planning For A Weekly EpicureanFriends Zoom Meeting in 2022

**Post by “Cassius” of December 24, 2021 at 9:55 PM**

You are being ambitious but that is the only way to grow! When we stop adding / replacing atoms we start to die.....( I am pretty sure is somewhere in Lucretius! )

But ambition is good! ( I say as I listen to Rienzi and read the book on which it is based ) 😊
