

New Audio Version of Torquatus' Presentation of Epicurean Ethics - Read By Joshua

Post by "Cassius" of December 29, 2021 at 3:44 PM

You are welcome! I think over time this is going to be downloaded MANY times and will be extremely helpful in many ways.

I wouldn't be here but for Charlton Griffin's reading of Lucretius, and there will end up being lots of people (I bet) who finally have the light switched on in their minds about Epicurus' views on many subjects (not the least of which is the relationship of virtue and pleasure) by listening to you read Torquatus!
