

Should Epicurean Philosophy Be Made More Accessible?

Post by "Scott" of December 30, 2021 at 4:55 PM

[Quote from Don](#)

Even if we could explain it have basic intros, how to get them in front of people's eyes?

Right! And not only get it in front of eyes, but ...it must *GRAB* you. One can't simply produce good information/explanations. One needs "hooks" to be "fishers of men"! (if I may steal a quote from a different philosopher) 😊
