

Should Epicurean Philosophy Be Made More Accessible?

Post by "Don" of December 31, 2021 at 12:51 PM

[Quote from Kalosyni](#)

[Don](#) you gave my post on ethics a confused smilie. Do you think that what I posted about ethics might not be Epicurean, or possibly goes beyond Epicureanism? What part were you confused about?

Oh!! My bad! I didn't see its connection to the specific article right before it. That's the only reason for the confused emoji.
