

Planning For A Weekly EpicureanFriends Zoom Meeting in 2022

Post by “Cassius” of December 31, 2021 at 1:57 PM

Also we have been talking recently about the long-existing project of writing personal outlines. It might well be a good idea to condition participation in some of the more advanced activities here on people participating in that project as a means of clarifying their own thoughts and getting constructive commentary from others on aspects that they might be overlooking: [Personal Outlines of Epicurean Philosophy](#)
