

# Exploration of Epicurean Concepts of Justice, Contracts, & Not to Harm or Be Harmed

We're probably straying from the title of this thread, but ..

I find it interesting that the word used for "harm" is βλάπτω (blaptō):

[Henry George Liddell, Robert Scott, An Intermediate Greek-English Lexicon, βλάπτω](#)

[Henry George Liddell, Robert Scott, A Greek-English Lexicon, βλάπτω](#)

βλάπτω does NOT seem to convey willful harm just harm. Willful, unjust harm seems to be ἀδικεῖν which itself is connected to the meaning "unjust"

[Henry George Liddell, Robert Scott, A Greek-English Lexicon, ἀδικέω](#)

No conclusions, just food for thought.
