

Should Epicurean Philosophy Be Made More Accessible?

Post by “Kalosyni” of January 1, 2022 at 8:44 PM

My initial intention of this thread was to investigate how to present Epicurean philosophy so that more people could learn and benefit. And that it would be nice to have something simplified for people who want to learn but don't have enough time to dedicate to this forum. This could take the form of an overview, possibly drawn from existing threads, nicely and simply formatted for easy viewing:

Will now cross reference this thread which was recently referred to elsewhere:

[How Would You Answer Someone New Who Asked You: "What Is Epicurean Philosophy All About?"](#)

If you met someone who asked you to explain to them what Epicurean Philosophy is about, how would you introduce them to it, and what are some examples of how it can be applied in everyday life?
