

Should Epicurean Philosophy Be Made More Accessible?

Post by “Cassius” of January 1, 2022 at 9:40 PM

Yes it is hard to figure out how to organize things and it may be that conversations have to develop naturally.

But now that we've been reminded a couple of times about the personal outline approach, I think that would be particularly helpful for you, Kalosyni, given that it helps quickly highlight fundamentals and places where questions may arise that you may not recognize:
