

7 Gamelion (Mon., 10 Jan): Happy Birthday, Epicurus!

Post by “Don” of January 6, 2022 at 11:50 PM

According to the best attempt at [an ancient Greek calendar to fit modern times](#) that I've been able to find online, Epicurus's birthday of the 7th day in the month of Gamelion will fall this year on Monday, January 10.

So, this coming Monday, take a moment to remember the "master-builder of happiness" as Lucretius called him and dedicate yourself to the pursuit of pleasure in your life.
