

Latest Catherine Wilson Article: "Why Epicureanism, Not Stoicism, Is the Philosophy We Need Now"

Post by "smoothiekiwi" of January 7, 2022 at 6:19 AM

Quote

who perhaps one day will have shouted loud enough for even Ms. Wilson to hear

[Quote from Cassius](#)

(And since you commented on the all-caps i will apologize to new users and explain that I am so incredibly lazy that I find it easier often to use all caps for emphasis rather than underlining or italics and that I do not mean to imply "shouting" 😊)

Ah, now that makes sense, I always wondered about that 😄
