

Latest Catherine Wilson Article: "Why Epicureanism, Not Stoicism, Is the Philosophy We Need Now"

Post by "Cassius" of January 7, 2022 at 6:24 AM

I think some people infer that mixing all caps with normal case selection is a sign of insanity. 😊 Who knows maybe I am an example of that! 😊 But I know myself pretty well -- laziness is my middle name, though I tend to embellish it as a form of "hedonic calculus." 😊
