

Joshua's "Only The Beginning" Observation

Post by "Cassius" of January 11, 2022 at 10:56 AM

Right. Context is everything. What we might do if we lived in 200BC Athens or Rome is different than our circumstances in 2022. And from virtually every perspective of age, sex, location, education level, financial resources and on and on and on what a person is going to do to consider and implement Epicurean ideas is going to be different.
