

Epicurean kèpos in Autun - France.

Post by "Cassius" of January 12, 2022 at 7:05 AM

This is an interesting comment from that article - i was not aware that Tacitus mentioned Epicurus:

Quote

since [Tacitus](#), in the Dialogue of orators, advises orators to use Plato and Xenophon "*and even to borrow certain edifying maxims from Epicurus and Metrodorus*".
