

"Religion is a part of me"... how to deal with that?

Post by "Cassius" of January 12, 2022 at 2:14 PM

1 - I had a friend once who was a big Joseph Campbell fan, but I never figured him out. It's possible that he deserves a thread here somewhere, but I don't even know enough to have an opinion on that.

2 -

[Quote from Matt](#)

Religious identity is very important to many people. I too grew up with a "religious" identity and it still echoes in my life even now.

I am not sure that this isn't part of what [Velleius was talking about in "On the Nature of the Gods."](#) Very complex issue.
