

Godfrey's Epicurean Outline

Post by "Cassius" of December 12, 2018 at 6:17 AM

That comment raises in my mind that it would be good to write an article comparing the books that are available as a general introduction to Epicurus. I'll have to do some work even to pull a list together because I'm not sure that there are even many who try to do the kind of general summary for non-academic readers that DeWitt has done.
