

I Propose We Work Together To Develop a Meeting Plan / Curriculum For Local Groups

Post by “Cassius” of December 12, 2018 at 6:21 PM

Also Elayne I have put some significant work lately into updating the [FAQ](#). It still has a long way to go but is much better than just a few weeks ago. I can see that a FAQ would have special interest to people who are totally new to the study, so if you see questions that ought to be added or see any way to make it more helpful to the Meetup initiative let me know.
