

Supernatural and the Senses

Post by “Cassius” of January 16, 2022 at 9:11 AM

This issue of "idioms" and "expressions" is a big one and obviously is something that we face in our translations of the ancient texts too. It always pays to be cautious in thinking we read something that would not make sense from what we know about the larger context of a person. That is probably a major theme of our work in interpreting Epicurus.
