

An Epicurean Understanding of Valentine's Day: Love, Romance, and Free-will

Post by "Don" of January 16, 2022 at 4:54 PM

[Quote from Cassius](#)

I think if Epicurus were here today he would probably say

These kind of statements always make me a little uneasy. The only speaking Epicurus is doing today is through his extant writings. I realize we need to interpret what we have, but I'd just advise treading carefully when putting words in Epicurus's mouth.

I'm not saying I necessarily disagree, but just adding that caveat.
