

Participants' Epicurean Book and Artifact Collections

Post by "Cassius" of January 17, 2022 at 9:28 AM

Ok now that I am looking at those photos more closely, I strongly suspect I am not the only one who didn't get notification that these were there. I am sure there would have been quite a few likes and comments from others if they had seen these. These are GREAT displays and each one spurs lots of questions.
