

Planning For A Weekly EpicureanFriends Zoom Meeting in 2022

Post by “Kalosyni” of January 17, 2022 at 9:54 PM

I will attend Tuesday night Zoom. Topic of personal outlines...and other topics...

And have the following questions to discuss then...or if anyone else wants respond to the following questions, please respond in this thread if you can't attend the Zoom:

--what are best topics for a Zoom/in-person Epicurean study group...what topics might draw people to attend?

--to create an agenda or to not create an agenda?

--alternative times for meetings?
