Gosh this is the first time I have used the "Schedule Event" feature and I hope I have not created a monster. I have listed everyone here who has level 3 status, plus others who have indicated interest. i have no idea what kind of emails or notifications you are going to get - I hope it is not too much.

Also i think we are probably better off with an 8:00 PM eastern time to start, so my apologies to anyone for whom this start time won't work. Let's see what happens with this first one and perhaps we can adjust.
