

2022 Epicurus vs Buddhism Compare and Contrast Thread

Post by "Cassius" of January 31, 2022 at 8:46 AM

[Quote from Matt](#)

I would say yes to three outlines...

Matt I am not quite sure what this refers to?

Are you pointing to a chart or outline that shows a comparison of types of Buddhism and the ideas that all share? If so or you know of such a thing that would be useful.

It wouldn't be very productive to trace each minor sect into their own detailed twists and turns, but it would be productive to develop references as to what the major groupings share.
