

Welcome BriBri56!

Post by “Cassius” of January 31, 2022 at 8:48 AM

Thank you and welcome Brian! If you get a chance to at least tell us at some point how you found the forum (googling, facebook, wikipedia, etc.) even that small amount of information would be helpful. And of course anything else you'd like to share can help us tailor conversations to your particular interests.
