

Les Epicuriens (2010)

Post by "Cassius" of February 5, 2022 at 8:58 AM

Don do you not find that "Les Epicureans" has less information in it that would help you determine how much confidence to put in the translation? I am thinking i remember that it's not heavily footnoted or referenced, so it's hard to know how much is reconstruction and how firm it is. Am I misremembering that?
