

AFDIA - Chapter Two - Text and Discussion

Post by “Cassius” of February 8, 2022 at 7:44 PM

We will have another audio/video summary posted soon. As Joshua points out during the episode, we need to avoid the mistake of thinking that Frances Wright has Leontium disagreeing with Epicurus as to how best to treat those who are vicious. It appears that this debate was between SOFRON and METRODORUS, so I will correct the slides which hint otherwise next week.
