

Nate's "Allegory of the Oasis" Graphic

Post by "Matt" of December 21, 2018 at 9:38 AM

Oh absolutely! I'd be happy to help. And yes I am fully away from FB. As easy and convenient a platform it is, it's just better being here than there.

I would say that it might be wise to change the dinosaur to an animal that is similar to humans. Maybe an Orangutan, Bonobo, Chimp etc. or perhaps an animal such as a dolphin that we know is extremely intelligent.
