

On Unhealthy Social Media Use / If Epicurus Were Alive Today, Would He Use A Smartphone?

Post by “Marabrant” of February 18, 2022 at 3:52 PM

Hi! It seems to me that the topic is not quite correctly presented. After all, the problem of society is not in social networks. The problem of society is how social networks are used. Social networks themselves are neither good nor evil. It's just a tool that people use for various purposes. But you need to use critical thinking and evaluate and analyze information yourself.
