

Happy Birthday General Thread

Post by "Scott" of February 25, 2022 at 11:25 AM

HBD to you, [Jasper Sky](#) !

You're at such a great place to learn and share about Epicureanism. Please feel free to post any ideas and questions you have. From your "About Me" profile section, it seems you would likely have LOTS you could share.

Glad to have you here!

Scott
