

Episode One Hundred Ten - The Epicurean View of Friendship (Part 2)

Post by “Joshua” of February 25, 2022 at 3:51 PM

They drilled in the same cohort for the requisite two (I think?) years of military training! Menander is the author of one of the epigrams in the Greek anthology;

Quote

Hail, ye twin-born sons of Neocles, of whom the
one saved his country from slavery the other from folly.

The former was Themistocles, and the latter was Epicurus.
