

Godfrey's Epicurean Outline

Post by "Hiram" of December 26, 2018 at 9:36 AM

[Quote from Godfrey](#)

To clarify a definition, is it correct that autarky refers specifically to economic self-sufficiency whereas autonomy is more general?

Autarchy IS (almost always translated as) self-sufficiency. Just as monarchy means rule of one, and oligarchy means rule of a few, autarchy is to rule oneself, personal sovereignty, which naturally implies self-sufficiency.
