

AFDIA - Chapter Four - Text and Discussion

Post by "Cassius" of March 5, 2022 at 4:11 PM

Had Don been present for this last AFDIA session, I bet he would have immediately remembered the session from "Dirty Harry."

I don't have any other good suggestions at the moment, but it might be fun to think about other famous movie "near-Epicurean lines" like "Man's got to know his limitations" for a collection.
