

"Zines' - By Kalosyni

Post by "Kalosyni" of March 9, 2022 at 11:41 AM

I am thinking about making zines which could be handed out at meet-up groups (or any where). Zines could feature short sayings and/or basic outlines of some good points in Epicurean philosophy.

If you have anything you think should be in a zine, please add it here to this thread. And you are welcome to create your own zines as well, and share them on this thread.

To read about the history and art of making a zine, click [here](#).

For a simple folded one page zine, click [here](#).
