

Sir William Temple, "Upon the Gardens of Epicurus", 1685

Post by "Cassius" of March 12, 2022 at 10:41 AM

First comment: So he is including Caesar as an Epicurean? We've seen that asserted before, I think, but it's uncommon and needs study.

Second comment: I need to do more gardening (anything more than the current zero) so if you find any good places to start be sure to let us know!
