

The Light Side of the Moon: A Lucretian Acrostic by Leah Kronenberg

Post by “Cassius” of March 15, 2022 at 11:19 PM

Wait a minute!

I just read an entire article based on going through thousands of lines of poem and finding four lines of which the first letters seem to spell out a synonym for "light"??????

[Don](#) are you impressed by this? Or is it much ado about nothing?
