

A Recap of Principles of Epicurean Physics

Post by “Don” of March 22, 2022 at 5:53 PM

I always come back to the definition of the ancient Greek "dogmatizō" meaning "to declare or take a position." I have come to see this word used to oppose the Epicureans to Skeptics especially in the use of the two words in the characteristic <https://sites.google.com/view/epicurean...oubt?authuser=0>
