

Cicero and the Epicureans (Article)

Post by “Pacatus” of April 1, 2022 at 1:29 AM

This will take some time to peruse. But the opening reminded me of a comic photo I saw of two modern Stoics under arrest for throwing stones at Epicureans in the local park. Their complaint: "Why should **they** have all the fun?!"

(Though I think that Cicero was more an Academic Skeptic than a Stoic?)
