

Jefferson's Birthday (Wed, Apr 13th 2022)

Post by "Cassius" of April 13, 2022 at 11:23 AM

Cassius started a new event:

Event

Jefferson's Birthday

Thanks to Joshua for suggesting this. At first I labeled it "Thomas Jefferson's Birthday" but the shorter version is easier to read on the calendar and I doubt there is any real question as to who is being referenced. With Frances Wright and some others, however, we probably need first and last names.
