

AFDIA - Chapter Ten - Text and Discussion

Post by “Cassius” of April 16, 2022 at 2:17 PM

Posting of this session will occur very shortly. I have to continue to apologize however for the audio quality. Zoom is clipping some of the speakers (primarily the host!) for some reason that I cannot yet fix. Googling appears to indicate that it is the background noise suppression setting that is at fault, so I will fiddle with that for the next episode.
