

Episode One Hundred Eighteen - Letter to Herodotus 07 - "Images" - There's More To Them Than Meets The Eye

Post by "Cassius" of April 22, 2022 at 7:04 AM

Agreed. Analogies and comparisons only go so far, and some are more helpful than others. In the end, words are only representations of the reality and we are constantly working to revise them make them more accurate as our information expands. We shouldn't resist improvements in explanations any more than we should get complacent that our current wordings are "final."
