

# Talking About Epicurus With Someone Who Is A Stoic (Or Of Some Other Anti-Epicurean Philosophy)

Post by “Don” of May 5, 2022 at 5:54 AM

Well put, [Eoghan Gardiner](#) .

One thing I find fascinating is that one can modify Epicurus's Physics to accommodate or incorporate some modern scientific findings, and it doesn't change the philosophy or its practical application. There aren't many (any?) 2,000+ year old philosophies of life that can do that.
